

Welcome to Stillwater

The sharing of food & conversation is one of life's simplest yet most enjoyable experiences, our menu is designed with this in mind so dishes can be easily shared or savoured individually, with a mix & match of accompaniments. So sit back, relax & enjoy....

Our Philosophy

Fresh, seasonal produce is treated with simple reverence to create dishes that allow their individual components to stand out for themselves, but also combine beautifully with others to bring the flavours of the season to you with every mouthful.

Where possible we source our ingredients from local, sustainable, organic producers or grow it in our kitchen garden.

We would like to thank our suppliers in working with us to bring the best to you, in particular:
